

Available Materials for MIM Production:

1. 304 Stainless Steel
2. 303 Stainless Steel
3. 321 Stainless Steel
4. 316 Stainless Steel
5. Kovar (4J29)
6. Kovar (4J30)
7. 17-4PH Stainless Steel
8. Fe2Ni
9. Fe8Ni
10. 440C Stainless Steel
11. 40CrMo Alloy Steel
12. SUS316Ti Stainless Steel
13. C45 Carbon Steel
14. 3Cr13 Stainless Steel
15. C35E Carbon Steel
16. SKD11 Tool Steel
17. M2 High Speed Steel
18. 420 Stainless Steel

Remarks:

All materials listed above are within our production capabilities for MIM technology.

Materials highlighted are our standard inventory options, ensuring stable supply and fast delivery.
